Flying high and proud

Welcome aboard Flight 1981! This year we're "Flying High and Proud" because we have you along. Though you may not know it, you are the ones who make this flight memorable. Each passenger helps put this year together.

We applaud those who have excelled. Valley High School is known state wide for producing high quality performers; whether it be in music, vocal or played, sports, photography, debate, publications and scholastic abilities.

We also can't forget our foreign passengers. This year Valley proudly hosted three. Laura Watson from Austrailia, Hardi Handel from Austria and Anders Falk from Sweden. Anders Falk has photographed Valley and shows how Valley appears to the Swedish eye.

Anders Falk has brought to us the beauty of a country many of us may never be able to see and in turn we are giving him an experience he'll hopefully never forget. So, by learning from one another, our horizon expands and our flight goes on to higher altitudes.

Soaring high on accomplishments

"I always try to have a beginning, middle and an end in my composition. I feel that when I press the button, it's final. It has to work the first time because when I get my pictures developed a week or two later, I can't correct any eventual mistakes as I can erase on a drawing. And if it is a "now or never" picture, which it often is in photography, I can't go back and do the picture over again.

"Photography is not taking pictures of uncommon things all the time, but taking uncommon pictures of common things."

Anders Falk

Flight Crew

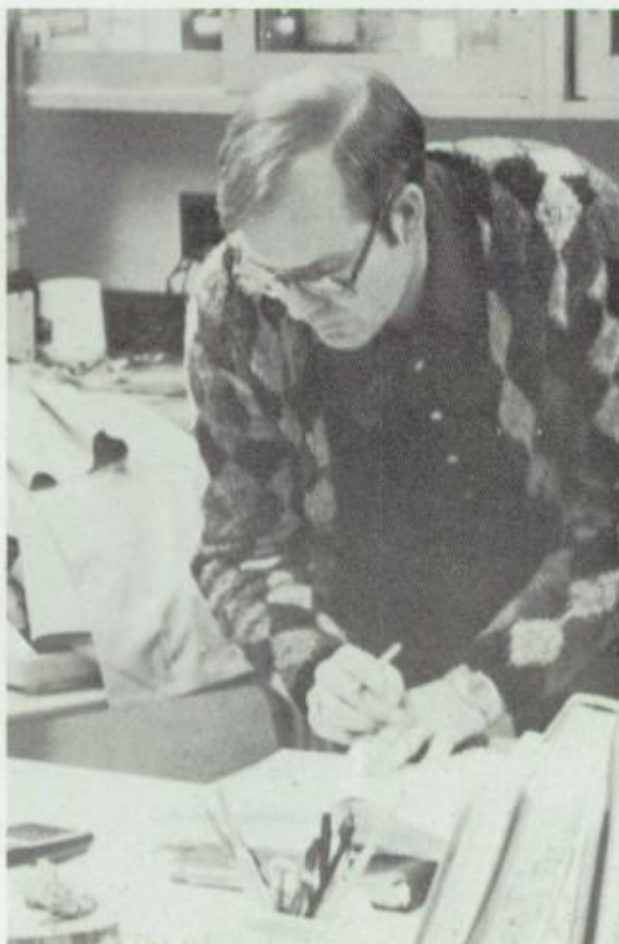

Before we can take-off, we need to instruct you on your crew's procedures for the flight.

You will notice there are many departments which are each equally represented. They are willing to serve and explain any unfamiliar territory in areas ranging from Business to the Arts, English to the Sciences and a variety of personal courses for individual achievement. Endless hours, and headaches, are spent in preparation to make these departments successful.

Besides serving the passengers with items of knowledge, they spend an ideal amount of time getting to know the passenger, by his or her attitude.

And so . . . Our Flight Crew prepares to take-off to 1981!

Counselors serve needs of VHS

Mr. Axtell also serves as WDMEA president.

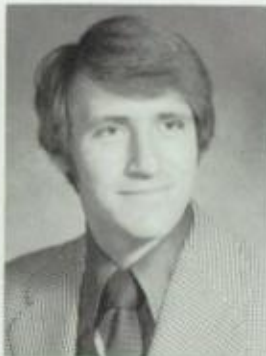

Mr. Spidel has served on the staff for many years.

Each student at Valley High has a friend on the staff. These friends are called counselors. They provide an ear to students in need, help students with schedules, and assist seniors in the planning of futures. Without Mr. Axtell, Miss Brown, Mr. Cookman, Mrs. Conners, Mr. Ratekin, and Mr. Spidel, the students would be totally lost.

VHS is very lucky to have an experienced group of people ready to lend a helping hand when needed. We would all like to thank them for doing such a good job.

Twenty-five years of dedication

Mr. Tabarella takes time out to individually help a student.

For the past 25 years, Mr. Tabarella has taught at Valley High School. He teaches drafting, shop drawing, and wood. Occasionally in the summer, he teaches driver's education.

He is originally from Bridgeville, Pennsylvania and graduated from South Fayette High School.

Before his years at Valley, he was in the Air Force and Navy. He served in the Navy from 1945-1946 and was in the Korean war in the spring of 1950 to the fall of 1952. When he graduated from high school, he pitched in the minor leagues. Next, he went to the University of Northern Iowa, which at the time was called Iowa Teacher's College.

We would like to thank Mr. Charles Tabarella for his 25 years of dedication to Valley High School.

Passengers

Preparing for the take-off, you feel meekly confident and shyly enthusiastic as you anticipate an exciting, new experience. In the plane, you find yourself seated right in the middle of a very large group. Soon, you too are being caught up in the excitement of this flight and the passengers on it.

Your years at Valley are like this exciting flight. As a freshman, you are very shy and timid, but ready to have fun. As you progress to your senior flight, you come out proudly confident. Through these mixtures of classes, you must remember, it's not the plane or flight that makes the trip exciting — it's US, the passengers.

First Class

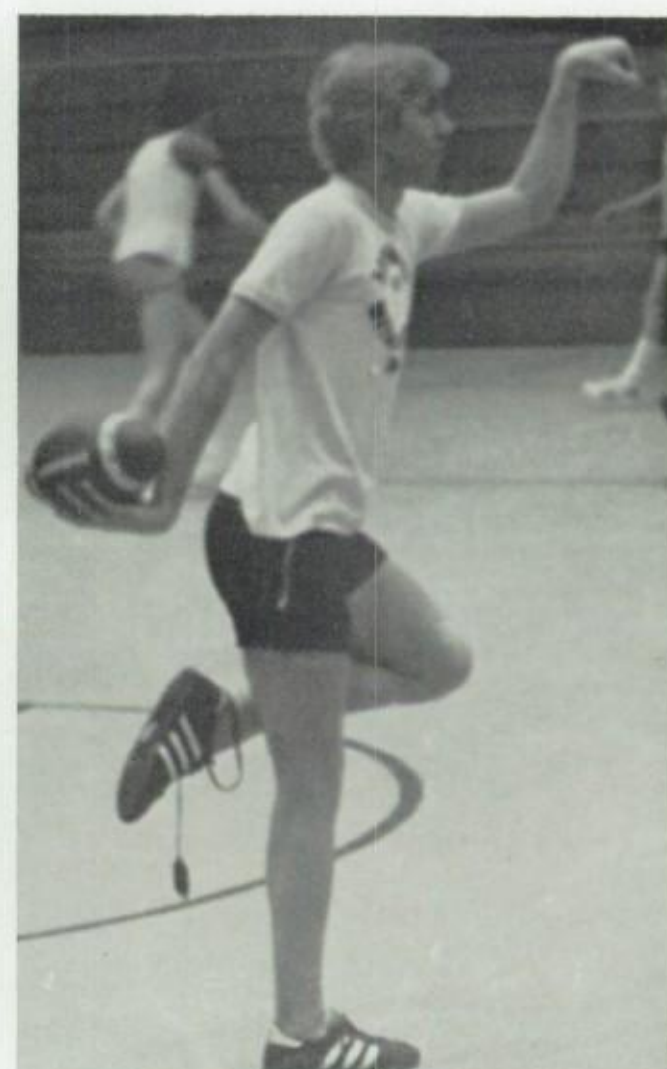

Senior Council: Laura Kickbush, treasurer; Brian Cooper, vice-president; Joel Meier, president; and Juli Bell, secretary.

Joanna Brown, Gray Friess, Laurie Rembold, Lisa LaPree and Charlie VanWagoner leisurely sit in the hall.

Mark Murphy and Walter Davis show the brute strength of Valley.

Jeff Hoogensen does the "Fig Newton" in the big gym.

Why it's "Smilin' Sue Shuck," but Sue, where's your smile?

It's some Valley senior girls, but doesn't Charlie only have *three* Angels?

Oh, John Llewelyn, you're so tough with your lollipop!

Mike Smiley, Laurie Hill, and Toni Negrete practice for a sit-down strike.

Tom Holden, Shoab Sayeed, and Jim Gibson nonchalantly act cool in senior hall.

Shelly Pope tries to hide from the camera in the library, but somehow she doesn't lose the photographer.

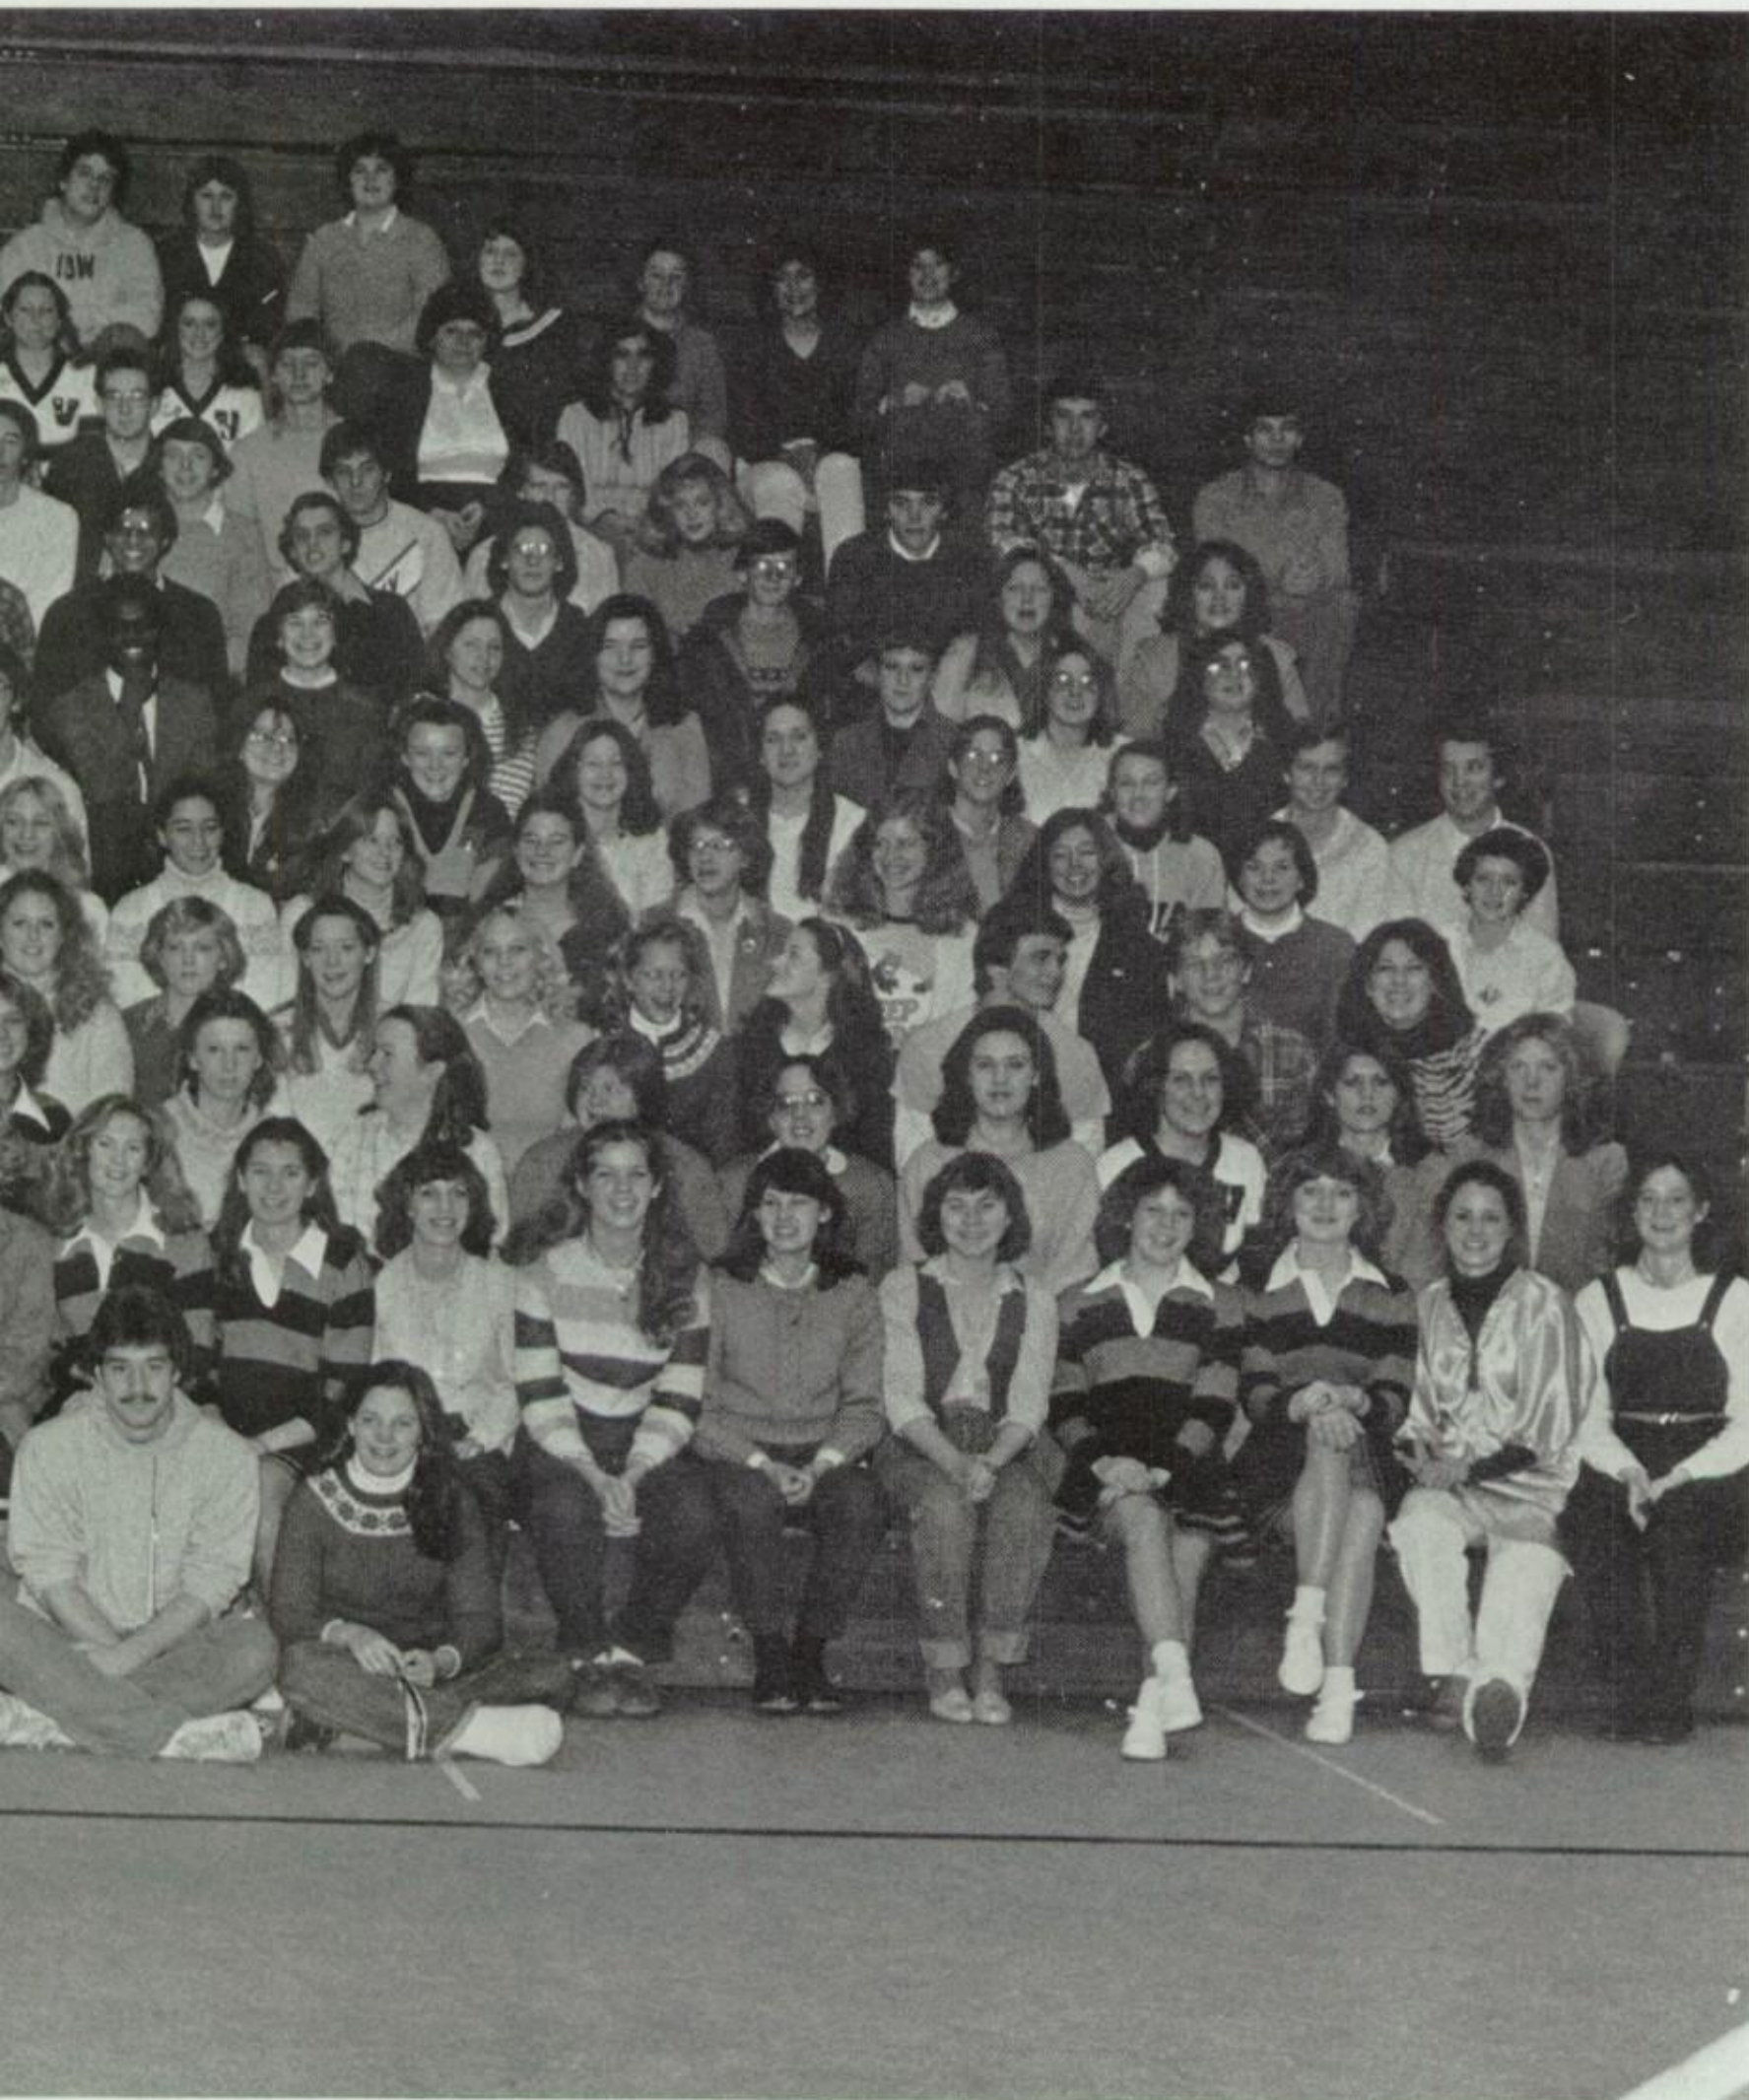

Cathy Griffin tries her opera voice, but Tracy Carberry shows her feelings about her singing.

Here comes the setting sun, the seasons passing one by one, to gather moments while you may,

collect the dreams you dream today. Remember, the times of your life. Author Unknown

On Flight Activities

Hello! Glad you could join the flight. Now that you are seated and we've taken off, sit back and enjoy our "On Flight Activities".

Early in our flight, we have groups to entertain you. Since there is such a variety, it's a promised good time. The Baker's Dozen, Marchmasters and the fall play, *Picnic*, will entertain you. If these don't fill your expectations, there is Jazz Band, Sweet Sixteen, Language Clubs and FCA, to name a few.

In addition, there is Tiger Tales, Spotlight and Journeyman along to record these events.

So, loosen your seatbelt, take it easy and enjoy Flight '80-'81.

Laura Bostrom, Kim Deaton and Dee Magruder check over negatives at the light table.

The 1980-81 Tiger Tales staff, in contrast to previous years, had a large staff of over 20 members. For the first time, the staff worked toward a spring delivery book which was available to students in May. A 16-page supplement followed in the fall with the year's spring activities.

The budget, finally out of the red, allowed this year's book to include color which has been absent from Valley's books for a few years.

Martha Wagstaff and Kim Hatch, co-editors, worked with John Brindley, advisor, and the rest of staff to make "Flying High and Proud" a successful publication.

A group of Spotlighters discuss that week's paper.

Spotlight, Valley's student newspaper, set up many goals for the 1980-81 school year. With hard work and dedication, most were accomplished.

Spotlight made a special effort to inform their readers about a variety of subjects to interest them. This included: suicide, music, job discrimination and many other special interests. The paper also covered non-school activities like soccer, hockey and other important issues.

The staff members were dedicated and some worked almost 20 hours a week to produce a national award winning paper. Spotlight was honored with the George Gallup Award and is a member of Quill and Scroll, as well as CSPA and NSPA.

Journeyman - KWDM

Mrs. Maxwell quietly works.

Journeyman, Valley's literary magazine, is a collection of poetry, short stories, and other written work done by Valley students. The staff was larger than in previous years with approximately 11 members. The staff worked very hard to put out a magazine of high quality. This year's editor was Nancy Chung and the sponsor was Mrs. Gustafson.

KWDM, Valley's own radio station, had another successful year. The staff members gave up their free time and study halls to broadcast music and information to the West Des Moines area. The station broadcasted virtually all of Valley's football and basketball games along with all school board meetings. Some of the radio station's activities for the year were: a car wash, bake sale, and sponsoring the band "Marathon" at the Easter Seals Dance-a-thon. The staff was quite large with over 50 students on the first semester staff and 40 on the second semester staff.

The members of the Fellowship of Christian Athletes.

Though F.C.A. is not a school sponsored activity, it is still one of the largest groups at Valley. Meetings are varied with discussion groups, speakers, films, tapes and activities to create a variety for all the young men and women athletes involved. During this school year, F.C.A. built a float for homecoming, went on a hayride, sold programs at Drake athletic events, and sold programs at the Iowa State Wrestling Tournament to raise funds to send athletes to the summer conference at Northfield, Minnesota. F.C.A. is a nondemoninational organization open to all athletes at Valley.

Spotlight initiated John Buenneke, John Garner, and Randy Meier first semester. Yearbook initiates were: Laura Bostrom, John Cernohous, Holly Chandler, Henry Creagh, Kim Deaton, Kim Hatch, Jeanette Luthringer, Dee Magruder, Steve Miller, and Missy Moss. Later on in the spring, a dinner banquet was held for all members and initiates.

Around the world

This year's German Club was a large and enthusiastic group of over 30 members. The group participated in several fund raisers, mainly selling M and M's. The club took three main trips over the year. The first of these, in the fall, was to Amana Colonies where the group went on several tours. The second trip was the annual ski trip to Welch Village, where the club spent a weekend. The third and final trip was to Worlds of Fun in Kansas City. This year's club sponsor was Frau Marasco.

AFS or American Field Service activities focus on promoting international understanding through the support of a foreign exchange program. This year's chapter from Valley hosted Laura Watson from Australia and Hardi Hanel from Austria. Laura lived with the Clark Gwinn family and Hardi's host family was the Gregg Nabers. Last summer Cindy O'Connell spent two weeks in Turkey on the Americans Abroad Program.

Officers of the club are: Karen VanRoekel, president; Beth Dory, vice president; Sandy Watson, secretary; and Carol Ydstie, treasurer. Miss Kirk was the advisor.

The group sponsored a holiday dance "Wintergreen" and the annual AFS weekend in February. Major fund raising activities were the sale of Luvkins and the annual talent show in April.

Debate and Thespians excell

The 80-81 Thespians were quite busy this year. Troupe 2048 began the year with 13 members and in January initiated 12 more. The officers were: Carla Glenn, president and Stuart Roy, vice-president. The troupe's dedicated sponsor was Jim Lamson. Some of the activities that made the '80-'81 year fruitful included: ushering at the Des Moines Community Playhouse, the theater trip to Minneapolis, initiation and teaching dramatic acting classes to elementary children. Student directing abilities were shown by the Thespian directed one act plays. The spring play dinner ended the busy year.

The Valley Debate team had a very successful year. They went to over ten events and placed first and second in all of them but one. Three of the members qualified for the National Finals in Salt Lake City. Mr. Castle commented, "The debaters experienced a real outstanding year. Over fifty students were able to participate at sometime during the year. We will obviously miss the three graduating seniors, but we look to 1981-82 with a great deal of excitement and expectation.

Marchmasters receive 20th I rating

TWENTY. Two decades of perfection. For twenty consecutive years, the Marchmasters have received a I rating at State Marching Contest. This string of winnings is better than any other band in their class or any organization at Valley. The first 13 were received by Jerry Kinny and his respective bands. Dan Peterson received the next four, and finally Larry Green the 18, 19, and 20th. The band plans to continue this record for many more years.

The Marchmasters had a somewhat short marching season compared to last year's schedule. In addition to receiving a I rating at State Marching Contest, the band appeared at various home football games, the 1st annual Valleyfest of Marching Bands, and two other competitions. The first of these, the University of Iowa Homecoming Parade, gave the Marchmasters the opportunity to add one more first place to their winnings. This trip was taken by charter busses, a little-known luxury to the band, and some free time in Iowa City. This combination made it one of the more enjoyable trips of the year. Finally, at the end of the season, a cold and disappointing trip to Knoxville took place, where the band received second place. To top the year off, the mayor of West Des Moines declared October 15, Valley Marchmaster Day in the city for all of the hard work and success of the band.

Ann North, Karin Kasdorf, and Suzanne Markham get ready to begin.

The band performs at State Marching Contest where they received their 20th consecutive I rating.

The 1980 Marchmasters continued to be one of the largest organizations at Valley. The band consists of approximately 130 horn players, 30 percussion members, 36 flags, 32 bandaids, 16 silvers, 3 drum majors, and 1 twirler. This adds up to a total number of approximately 250 members. With a band of this size, extra help was needed. Besides the ever present help of Larry Green and Steve McCombs, others also helped with this year's show. Helen Lodge helped with the bandaids and silvers, and Chris Allen from KRNT also helped. And of course, no marching season would be complete without the band parents and chaperones who, without their help, the band could not have had the successful year they did.

Jazz I has completed another successful year of competition. This year they took 1st place at Coe College, Drake Mid-Western Championships and Hoover's Jazz Festival. They also went on to compete in state, held in Ames.

Jazz I played for the fifteenth year at the Girl's State Basketball Tournament in March. They were also featured in the Iowa Band Masters with soloist Willy Thomas.

Jazz II played in state contests for the third year, making them the only Jazz II band in state to accomplish this.

Jazz and Orchestra tune-up a good year

The Valley Strings, though a small group, is one of the most talented groups at Valley High School.

The orchestra performed in several Prism Concerts throughout the year. These are concerts in which various chorus groups and concert bands also perform. The strings performed in the Central Iowa Orchestra Festival in Grinnell and the state large Group Contest. The Los Angeles Philharmonic Orchestra appeared in Ames and the Strings attended the concert. To add a little spice to the year, the strings went to Welch Village for their annual ski trip.

Mrs. Granias, the new conductor, has many goals for the organization. As she sees it, if this group can believe in themselves and have pride as an organization, there is no reason why the group can't be the best orchestra in the state.

Choirs in large membership

Sing! The Valley Choral Department has had a super year. The vocal groups started out with an informal concert in November and also performed in Prism Concerts held with the band and orchestra throughout the year.

Valley Singers, Bass Clef and Sweet Sixteen were busy doing outside performances. They sang for luncheons, dinners, retirement parties and many other functions. In October, All-State choir try-outs were held and five Valley singers made the choir. They were: Laura Kickbush, Ann Trabert, Scott Braynard, Jill Morden, and Carla Jensen.

Towards the end of the year, the choirs kept busy by performing in the Vocal Varieties Concert on March 17th. A-Cappella Choir made a trip in May and also went to the State Large Group Contest.

Showing off in Silence

Mimes have a solemn moment.

Dan Voecks, Juli Bell and Scott Stilwell prepare for Fall Night of Mimes.

Once again, Baker's Dozen, Valley's mime troupe, has presented a great Fall and Spring Night of Mime. These are two of the major shows that they performed during the year.

Mrs. Wendricks is the new advisor to the troupe. Other new additions are eight new mimes with Carol Miller as the president and Dan Voecks as vice-president.

As always, the silent organization of Valley had made a loud impression on our school and community.

Coach Coldiron listens in on a meeting.

This year, as in past years, student council was hindered by lack of attendance and participation in the council's activities. The council was involved in three main projects for the year. The largest community project was during the Thanksgiving season. The council collected \$500 from students and collected 350 cans to distribute to needy families. The other two activities were the Homecoming Dance and Valentine's Dance. The Homecoming Dance was held at the Olmstead Center at Drake. The second was the Valentine's Dance which was held for the second year at the Botanical Center. This year's council officers were: president, Dave Morris; vice-president, Carole Tillotson; secretary, Kari Jordon; and treasurer, Chip Gately. The council sponsor was Coach Coldiron.

Homecoming '80

Debby Mock and her escorts, Danny Voecks and Marty Berk, blow kisses to the homecoming parade crowd.

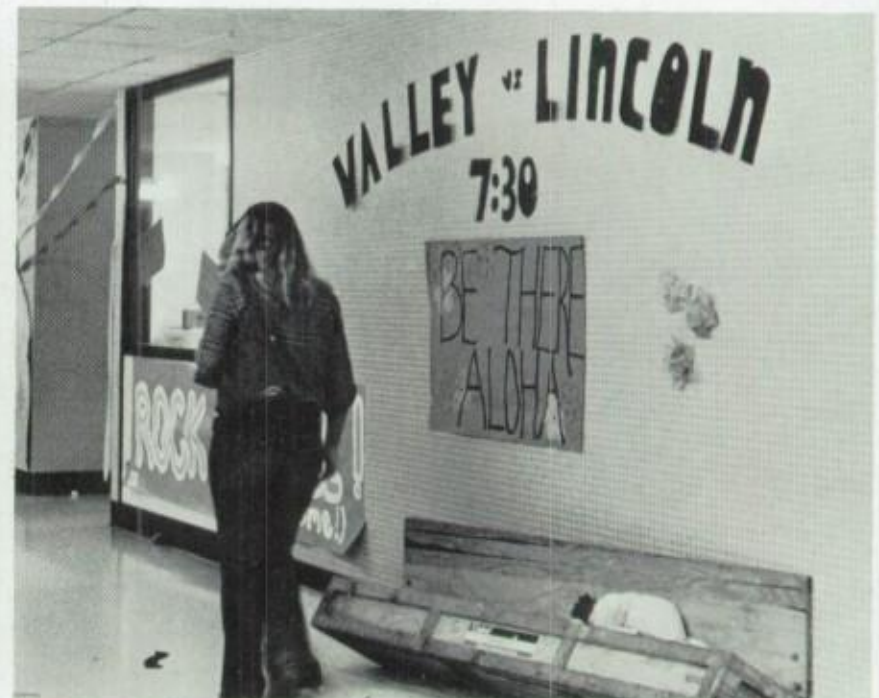

A group of rowdy seniors ride in the homecoming parade.

As in previous years, tradition came to Valley High School. Homecoming '80 was much like past years, the annual powder puff games, hall decorations, and activities night were all part of the week's festivities. The week began with a kick-off assembly where the homecoming queen candidates were named. The powder puff games resulted in victories for the sophomore and junior classes, while activities night included a car bash, sleeping bag races, and class pyramids. The classes decorated their respective halls with the juniors winning \$25 for first place. Friday night's game proved to be a disappointment as the Tigers suffered a 10-3 loss to Lincoln. During half-time of the game, Debby Mock was crowned as the 1980 Homecoming Queen. To end the week's activities, the Homecoming Dance, "One in a Million," was held at the Olmstead Center at Drake. Attendance was low as the dance had some competition with a Commadore's concert held the same night; but those who attended had a good time — the seniors participating in their last, and the underclassmen looking forward to Homecoming '81.

Danny Voecks holds up a fist of victory when Debby is announced queen.

Let us entertain you

What's a good way to beat the classroom blues? To shorten class time to a bearable limit? Of course, an assembly. There were various assemblies throughout the year held for various reasons and events. Homecoming Kick Off Assembly, Valentine's Day Assembly, Holiday Assembly, and the always popular, Valley vs. Dowling Assembly were just a few. Students and faculty members put together their talents and efforts to help entertain us.

Another form of entertainment, though not during school hours, was the Valley Drill Team. The drill team performed at half time for all of the home varsity boys' basketball games. The drill team was helped by Mr. Larry Green and Miss Helen Lodge. This year's captains were Anne Trabert, Sue Shuck, Kari Jordan, and Julie McConnell.

Another group of girls from the band auxiliary were those involved in the 15th Annual Pageant Show. Each girl represented a state flag or was a dance-drill team member. The show was performed at half time for the Girls' State Basketball Tournament. Those involved practiced at 7:00 in the morning for approximately two months to get ready for the show.

The 1980 fall play was *Picnic*. Performances were given November 20, 21, and 22.

The play was written by William Inges. Action takes place in a small Kansas town in the mid-1950's. The lives of Flo Owens and her oldest daughter Madge are drastically changed when a stranger, Hal Carter, comes into town. Madge falls in love with Hal because he is different from anyone she has ever met in the quiet town where she lives.

Another fine performance was given by the Valley drama students.

Harvey comes alive

Elwood has a conversation with Harvey.

Veta Louise and Myrtle Mae discuss Elwood's condition.

A six and a half foot white rabbit named Harvey was the center of attention during the spring play, *Harvey*. The nights of production were March 5-7th. The play was written by Mary Chase and told the story of Veta Louise Simmons and her brother, Elwood P. Dowd. Elwood has an imaginary white rabbit named Harvey. Elwood's admittance and release into a sanitarium were portrayed by Valley students.

The play was a success and attendance was high. Credit must be given to the production crews who, without their help, the play could not have taken place. Their hard work and dedication was appreciated.

Art and literature flourish at Valley

The Valley Volunteers are a group of women who volunteer their time and effort to help make things at Valley run smoothly. They work year round on such things as the Parent/Student handbook, progress reports and help out with self-scheduling. They also work on a weekly basis with a few Valley students in the English as a Second Language Program. They volunteer the time and help out in the Learning Disability Department, also.

Thank-you Valley Volunteers for contributing so much to help make our school the best.

The club consisted of thirteen active members who participated in various money raisers such as bake sales and selling placemats. A few of their activities consisted of: attending the Guthrie Theatre production of *Midsummer Night's Dream* at the Civic Center and watching Shakespearean plays on educational television. To end the year, the club hosted the annual Shakespearean Feast which was held in April.

Tigers show pride throughout the season

Valley returned only one starter from the team that placed second in the class 4-A championship last season.

The Tigers finished this season with a 4-5 record. They played an almost perfect game against North, the second game of the season, by crushing the Polar Bears, 69-0.

Steve Mulholland received first team All-Metro honors for his play at the tackle position this season. All of the Tigers should be given recognition for their proud playing all year long.

Cross Country paces through a proud season

Goals are made to be accomplished which was made evident by the 1980 Boy's and Girl's Cross Country Squads.

At the Metro meet, the boys ran to a second place finish. Three senior boys ranked within the top 10. They were: Randy Maigaard, Mike Gould, and John Meyer.

For the first time in Valley's Girl's Cross country history, the squad captured the Metro Crown and showed how to run proud. Senior Leigh Ann Gruber grabbed a second place standing in the Metro Conference.

With top performances from every person, both teams achieved a fourth place finish at district level and seven runners qualified for state.

The gymnastics team rolls through another season

The girls' gymnastics team of 1980-81 was made up of thirteen girls and a hard-working coach with high goals. Unfortunately, a successful win-loss season could not be achieved. During the season, Christie Peterson was injured and Julie Bell was injured earlier in the season. Together with limited time, this hampered the girls' attempt at a really good season. Only Julie Bell will be graduating, so the rest of this experienced team, made up of juniors - Mary Ryan, Christie Peterson, Alison Schneiter, and Corie Van Deutekom - should lead Valley to a better over-all performance next year.

Volleyball sets-up a great season

At the beginning of the season, Coach Wharff and the volleyball team made two goals. The first was to win the metro title and the second was to participate in the state tournament. The first goal could not be met because of a loss to long-time rival, East. Later, that loss was made-up when the girls defeated East at districts. The second goal was met, but the girls encountered hard opposition and didn't make it to the second day of play. Metro honors went to: Angie Davidson, Deb Brookhart, and Maggie Dew, who all made the first team. State honors included fifth team placer, Angie Davidson and honorable mention winner, Deb Brookhart.

It's a bird, it's a plane, it's Lori Fligg.

The Wet and Wilds swam through a very exciting and successful 1980 season. The team showed that Valley is proud by placing second in state for the second year in a row and taking the Metro title for the fourth consecutive year.

At the Metro meet, the girls came out on top with a narrow win over rival Roosevelt, who later defeated them at district and state levels.

Powered by four state champions, all setting state records, the girls compiled 209 pts. at the state meet.

The 400-yd. free relay, consisting of Kris Green, Kathy Struck, Debbie Wells, and Ann Williams won the state title with a record time of 3:39.64.

Ann Williams won two events in addition to the relay. In the 200-yd. free, she won with a time of 1:55.21 and in the 500-yd. free, she won in 5:04.57 — five seconds ahead of her closest opponent.

In the time of 1:54.77, the other championship for VHS was the 200-yd. medley relay team of Julie Pope, Lori Fligg, Lisa Palmer and Kris Green.

Row 1: Julie Pope, Kris Green, Stacy Swale. Row 2: Becky Powley, Shari Essex, Gail Kubby, Debbie Grossman, Theresa Michal, Missy DeYoung, Maria Denaro. Row 3: Merri McClay, Jana Marlett, Amanda Hohnbaum, Pam Nelson, Melana Murillo, Lisa Zuk, Amy Beall, Mary Wilson, Patty Bunten.

Boys take Metro and Districts

With ten seniors graduating in 1980, the 80-81 boys' swim team was not expecting an outstanding season. The team worked extra hard and ended their season with a 9-0 record, the Metro and District Championships and fifth place in state.

Breaking Valley records this year were: Fiesal Sayeed (50 and 100 back), Greg Wilson (Individual Medley), Curt Oppel (500 free) and Brian Schultz (100 free and 100 breast).

Graduating this year were Curt Oppel, Feisal Sayeed, Greg Wilson, Tim Rooney and Sam Humphrey. Humphrey, Sayeed and Rooney have had only one loss in their four years at Valley, with Oppel and Wilson having no losses since they transferred to the team.

With experience gained this year, the team is looking forward to another good season next year.

Todd Winter has perfect style and poise as he dives for Valley.

Up in the air goes Tim Rooney.

Tigerettes end season in strong finish

Row 3: Chris Keenan, Angi Chaplin, Jenni Heintz, Lori Magill, Angie Johnson, Joyce Mintle, Pattie Spaulding.

The team receives last minute advise from the coaches.

With only one starting senior for most of the season, the hard working Tigerettes could not achieve a successful win-loss season. However, a win over Dowling made a great end to the season. Teri Walker suffered a knee injury and was out for most of the season. Honors included seniors Lori Magill and Amy Leshar making honorable mention all-conference. Junior Kelly O'Brien was awarded a place in the second team all-conference.

Returning next year are forwards Shelley Pritchard, Angie Johnson, and Felicia Murillo. The guard will be made-up of Kelly O'Brien and Ann North. This experienced team should lead us to a better season next year.

Felicia Murillo anxiously waits to rebound a ball.

Senior dominated team shows improvement

The boys' basketball team showed much improvement over past years. With a senior dominated team, the Tigers ended the season with an 11-9 overall record.

John Llewelyn made second team All-Conference as captain. Also, newcomer Walter Davis made third team on the All-Conference level.

Davis, a transfer student from Connecticut, led the team in percentage of points made. Walter was a great asset to the team and inspired much enthusiasm from the Tiger Fan Club.

Other starters were: Derek Johnson, Mike Ehrhart, Eric Sams, John Garner, and Dave Bruchert. The rest of the seniors who played in over half the games were: Tim Walsh, Mark Lauen, Mark Taylor, and Joel Koeniguer.

The hard work and hustle shown by these young men sets a high standard for future Tiger teams.

Going up for the shot, John Llewelyn is fouled by Tech defense.

Notable victories were over the rated S.E. Polk squad and over Winterset, who previously had not been beaten in the last two years.

Coach Underfer also had praise for senior Trae Glider as the Tiger's top wrestler this season. Trae placed sixth in the state. Other wrestlers who went to state were: Dave Sanders, Kirk Vanek, Jeff Smith, and Chad O'Meara.

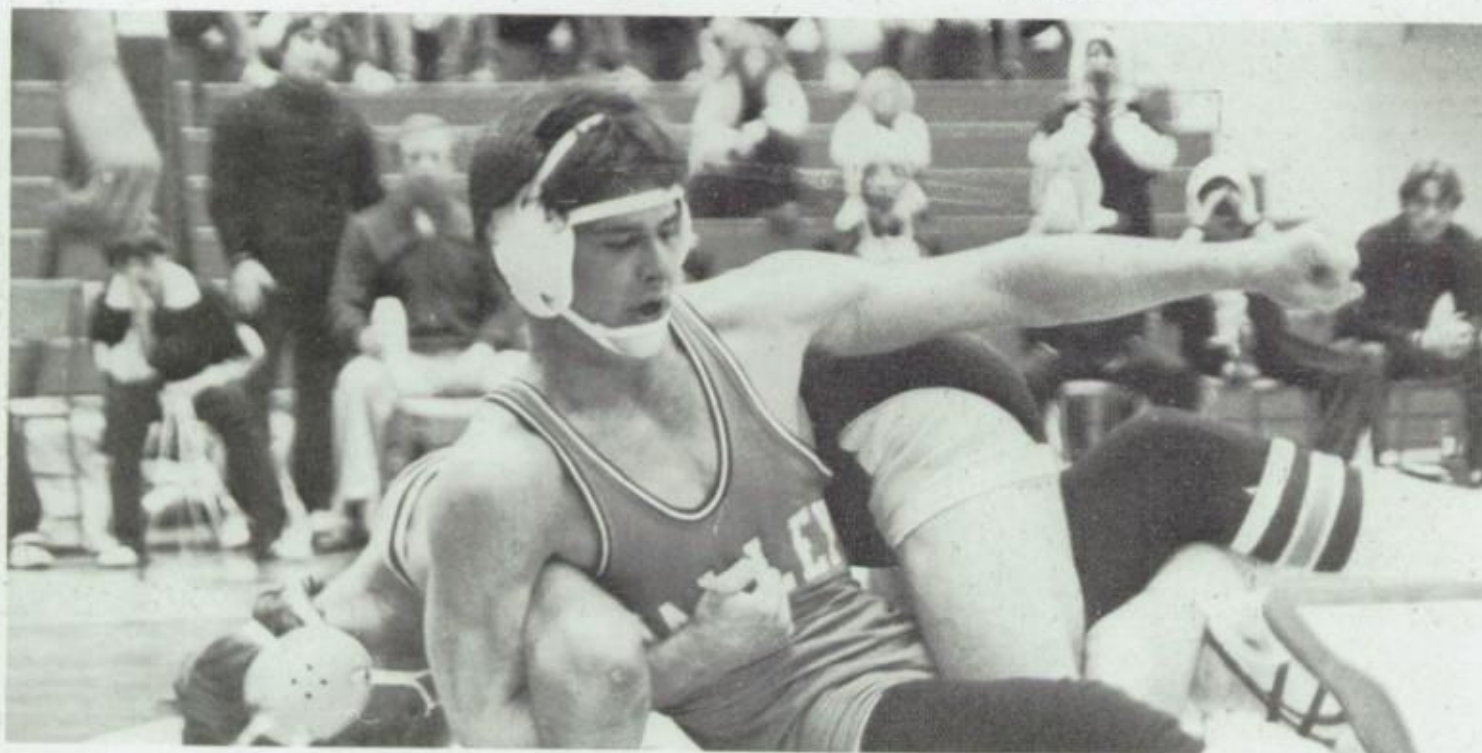

About 20 juniors will return for Coach Underfer next year.

Tiger trackers race through another year

The 1981 girls' track season was highlighted by the return of state champ in the 400 meter hurdles, Angie Davidson, along with the four all-state hurdlers, Katie O'Brien, Tracy Carberry, Kim Granzow, and Angie Davidson. Coach Van Ahn and the girls had high goals and they were expected to be realized. Losing nine seniors after this season will not be too much trouble for the twenty experienced underclassmen left to carry on the high Valley tradition.

Angie Davidson hands off to Sara Durst during a meet.

Gentlemen, take your mark.

Striding toward the line, Tom Zenor looks with determination to the end.

Mark Fiedler glides to the mat.

The 1981 boys' track team had quite a record to uphold from last year's team. Nineteen letterwinners returned from last year's metro champ winners. Six state qualifiers, including seniors Ray Kivett, Mike Gould, and Mike Stuck; juniors John Hoogenson and John Givant; and sophomore Mark Rogers. To it's credit, the team had experienced distance and hurdler runners and expects to rebuild their sprints and weights. With a good indoor meet record, the team was on the way to a great all-around season.

Coach McVicker gives the team some early advice.

Dave Burley is well over his mark.

Looks like Valley has the win all summed up.

Girls' tennis swings with pride

The girls' tennis team expects a super 1981 season.

We wish the team much Good-Luck for the 1981 season.

Hockey ties for Metro Championships

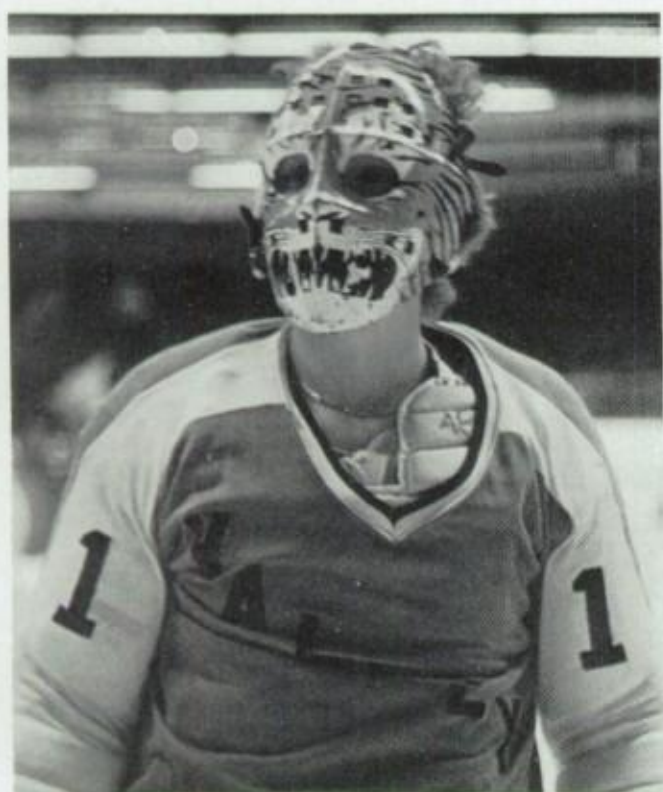

The Valley Hockey Club won fifth during the I.H.S.H.A. tournament after tying for second in metro and tying for third in state.

Valley's coach, Julian Nixon, was quoted as saying, "It's been a real up and down season." A real up for the team was defeating Waterloo Columbus in Waterloo. Columbus went on to win state.

Senior defenseman Gregg Miller received first team state honors and stabilized Valley's defense through the entire season with the help of senior Brian Plath.

Row 1: Eric Donaldson, John Reid, Brian Plath, Mitch Vedane, Brad Parker, Todd Gifford, Steve Miller, Keith Armstrong. Row 2: Randy Watkins, Kirk Kintz, Gregg Scholtech, Jeff Rovner, Kevin Johnson, Mike Multon, Steve Mulholland, Steve Rovner, Dean Mitchell, Greg Miller, John Brewbaker.

Valley's goalie Mitch Vedane views the opposing team through his fierce mask.

The puck is well under Valley control, as Steve Rovner and Steve Miller surround it.

Jeff Rovner outskates his opponent to get hold of the puck.

Brian Plath, defenseman, stares into the camera from the penalty box.

Our proud athletes

Getting into position, John Rhiner sets-up for another take down.

Feisal Sayeed grins as he hops out of the pool after a successful race.

A tired Kim Killian is relieved to find out the race is over.

Coach Crawford gives Dan Rhiner last minute instructions before Dan goes on the field.

Dave "Steve" Bruechert leaps off the ground to shoot one for Valley.

Soccer

With a first place finish in the fall league, Valley's soccer team showed true pride.

Coach Harry Berting led the team to an exciting win over I.S.U.'s soccer team.

The team expects a great season next year and we wish them the best of luck.

Fun, I hope to see you all this summer. Best of luck during the summer!

It's here at last! The end of this school year has come too quickly. It brings vacation from high school for many and, most importantly, graduation for the lucky ones. The closing of this yearbook has also come too quickly. It seems we just got started capturing the school year in word and picture and we have to end.

This year has brought many changes to Valley's yearbook that it has been deserving for quite a while: a large staff that has really cared, spring delivery of the book, and strong and positive support from the staff and students.

There are so many people who have made this year possible and we'd like to thank a few: Dr. Brooks, for supporting us in our actions; Mr. Baker, for developing the color photographs in the opening section and for his other contributions; and, most importantly, Mr. Brindley, for trusting us.

Since this is the last year for both of us, we'd like to thank Valley for the experiences and education we've gained here. Being students here has been an experience that we both agree we'll never forget. To those who remain on the staff and those yet to come - Good Luck in the years to come and remember that nothing is impossible.

To the Graduating Class of 1981, Good Luck to you and in all you undertake. Thanks for helping Valley fly "High and Proud."

LISA,
 TO A REALLY NICE AND CUTE
 GIRL WHO I HOPE TO SEE OVER
